

EMPLOYMENT OPPORTUNITY

CASUAL FOOD & BEVERAGE SERVERS

We are known for attracting and hosting the best events in the region through our commitment to event excellence. Our facilities and services allow us to attract new visitors and opportunities to Nova Scotia, connecting us to the world.

Food & Beverage Servers are the face of our catering business. As part of our team, you'll be representing our organization, and providing the warmest hospitality and the highest level of service to our guests.

We're currently seeking talented servers to join our Casual Team, working on call and as needed to ensure we are providing top notch service when we're at our busiest.

Who You Are:

- You are a proud host. You have what it takes to welcome our guests with warmth and create moments that will be remembered.
- You are a hospitality professional. You are known for your friendly, energetic approach to service.
- You are a team player who works well with others to make our guests feel welcome and looked after.
- You're flexible with your availability. We know you can't be everywhere, all the time, but you'll need to understand that our business is events, and it's essential that our service staff cover the early morning events, the late-night events and everything in between.
- You're reliable. We rely on our service team to uphold our reputation and you're the kind of person who will be there when we need you most.
- You're physically able to work on your feet for long periods and carry large trays up to 40lbs

If you have previous experience in food and beverage or customer service and can offer flexibility to work shifts covering events that will take place from early morning to late at night, then we want to hear from you.

Given the nature of our operating environment, the requirements of our clients, and the importance of public confidence in the safety of the service we provide, it is critical that Events East and its employees take any and all precautions to protect against the spread of COVID-19. Please take note Events East requires all employees to be fully vaccinated against COVID-19.
